Greetings:

I hope this day find you well. Plexus Worldwide® continues to amaze and its rapid growth in the direct selling industry is phenomenal.

As part of our ongoing commitment to provide the very best health and wellness products, Plexus Worldwide’s nutrition portfolio includes the Plexus MegaX™ product to help you and your family continue their journey to better health.

Did you know that your body doesn’t create the essential fatty acids that it needs? Plexus MegaX™ combines the benefits of omega 3, 6, 9, 5 and 7 all in one sustainable, ALA and SDA-rich, heart and brain health softgel. It is truly the complete omega product!*  

Plexus MegaX™ was created using AHIFLOWER® Oil, which contains the omega 3 stearidonic acid (SDA) which your body converts to EPA (the omega-3 fatty acid found in fish oil) at a rate of up to 4 times more efficiently than our other plant-based oils which contain no SDA, such as flaxseed.
